

**Lansing Community College Health Care Task Force
Letter of Agreement
Re: Selection of Carriers for Additional Plans
February 2, 2016**

The Labor Coalition members of the Health Care Task Force (HCTF) do not object LCC's selection of the EyeMed Plan to provide vision benefits and the Hartford Plan to provide Life, Long Term Disability and Accidental Death and Disability (AD&D) benefits.

This constitutes the only vendor changes impacting employees covered by the 2015-16 HCTF Agreement, which remains in effect until December 31, 2016.
